

MICHAEL WYNIA

RPP, SENIOR LAND USE PLANNER

Michael has over 25 years of practical experience as a land use and environmental planner in the public and private sector. As a consultant he has carried out a wide range of studies throughout Ontario. This includes preparing reports and studies on behalf of development applications as well as carrying out studies and research for municipal and other government clients as well as NGOs. Michael is a qualified expert in land use

planning matters with extensive experience before the Ontario Municipal Board and before other tribunals and proceedings. Michael also has experience in the effective utilization of social media in developing meaningful community engagement in planning matters.
