

# MICHAEL WYNIA

RPP, PARTNER, SENIOR ECOLOGIST

Michael Wynia has over 34 years of practical experience as an ecologist and environmental planner in the public and private sectors. As a consultant he has carried out a wide range of studies on projects throughout Ontario. This includes preparing inventories and studies on behalf of development applications. He has carried out studies and research for all levels of government and NGOs including the preparation of natural heritage studies and plans.

Michael presents and writes about ecology and conservation matters on a regular basis. He has also delivered training courses and seminars as well as developing and teaching an Environmental Planning Program for Fleming College.

Michael is a qualified expert in ecological and environmental planning matters with effective experience before LPAT (and the former OMB) as well as before other tribunals and in judicial proceedings.
