

## Privacy and Personal Information

Skelton, Brumwell & Associates Inc., collects, uses, discloses and retains personal information in order to provide Planning and Engineering services, as well as for communications and billing purposes. We may release information to third parties such as government agencies, consultants, lawyers, etc. when required to complete these services.

You provide your consent to Skelton, Brumwell & Associates Inc.'s collection, use, disclosure and retention of your personal information by requesting that Skelton, Brumwell & Associates Inc. provide you with products, services or information. You also consent by voluntarily providing us with personal information.

If you have any questions about our Privacy Policy, to request access to or correction or update of your personal information, please contact:

For the purpose of this Privacy Statement, "personal information" means information about an identifiable individual, but does not include the name, title or business address or telephone number of an employee of an organization. It does not consider public information found in directories and listings, or business names, addresses and/or contact numbers, to be personal information.
